

Toelichting bij het gebruik van de namenlijst

In de namenlijst van voornamen zijn opgenomen de genealogisch familie voornamen die in de database van de Veen familie zijn. In de grafische parenteel overzicht van de familie takken komen de aangetrouwde familie namen slecht eenmaal voor. Willen de aangetrouwde meer weten dan kunnen zij de informatie vinden op de website van de familie [www.veen-geenootschap\(2015\)](http://www.veen-geenootschap(2015))
